Part I: General Information and Admissions

1 WELCOME TO MOUNT ALLISON UNIVERSITY

Mount Allison has built a reputation through the success of its students, faculty, staff, and graduates. Every year students like you come to campus from across Canada and around the world to be part of a living and learning community that fuels passions and ignites new interests.

The University offers a broad interdisciplinary knowledge base with more than 50 programs. With smaller class sizes and access to world-class faculty, students gain hands-on learning opportunities that combine practical experience, the application of learning to real-world situations, and skills development.

Along with our own award-winning faculty and r

by *Maclean's* annual university rankings as the top primarily undergraduate university in Canada 24 times in the past 33 years — a record unmatched by any other university. A high-calibre faculty, outstanding students, and financial stability are among the reasons why.

HISTORICAL SKETCH

Founder Charles Frederick Allison was a Sackville merchant. His grandfather emigrated from Ireland in the late 1700s, as a result of a dinner with the local tax collector. Wanting to impress him, the family set the table with their one valuable possession, a set of silver spoons. After entertaining their guest, the Allison's were informed that if they could afford silver spoons, they could afford to pay more taxes. They left Ireland shortly thereafter. The spoons are on display in the R.P. Bell Library at Mount Allison.

In June 1839, Charles Frederick Allison proposed to the Wesleyan Methodists that a school of elementary and higher learning be built. His offer to purchase a site in Sackville, to erect a suitable building for an academy, and to contribute operating funds of 100 pounds a year for 10 years was accepted. The formal opening of the Mount Allison Academy for boys took place in 1843. In 1854, a branch institution for girls opened. In July 1862, the degree-granting Mount Allison College was organized. The first two students grad

classes of the term in which admission is sought may be considered for admission as a mature student. A mature student should apply as a full or part-time student and include with their application a letter of intent, an updated resumé, and a copy of their high school transcript. A letter of intent should state both personal and career goals which detail the reasons for applying to the university. The resumé should document recent work and volunteer experience.

Applicants who have attempted fewer than 18 credits or equivalent of transferable post-secondary level courses may also be eligible for admission as a mature student. If a student has undertaken study at any other university or recognized post-secondary institution please have the (admission) office notified by the Admissions Office.

The Admissions Office reserves the right to refer any cases to the Admissions and Re-admissions Committee for special consideration.

3.9 ADMISSION WITH ADVANCED STANDING

Students applying for admission with advanced standing must provide official transcripts for the applicable program, within one year of admission to Mount Allison to be eligible for transfer credits to be recognized and count toward a degree from Mount Allison.

Students who have received credit in a subject and who propose to register for a further course in that subject must at registration determine placement in consultation with the department concerned. Placement may be granted without credit. In cases of doubt applicants may be required to write one or more examinations upon entering the University.

Students may not earn more than a total of 30 credits towards their degree program from any combination of types of Advanced Standing listed in Section 3.9.

3.9.1 International Baccalaureate

For students who have completed the IB Diploma with an overall score of at least 26 as per 3.6.3, a maximum of 30 credits on a 120-credit degree program may be awarded for both HL and SL courses with scores of at least 5 and 8.

3.9.4 Advanced Placement 'AP' Program
